MISSION SUNDAY: Today is Mission Sunday. It is the day when we are being asked to dig into our hearts to assist the young local church overseas. We are being called to play our part in helping to bring the word of God to those who most hunger for it in the form of support for our many young churches.

'That they may have life' is our theme for Mission Month and as such our spiritual and financial offerings are crucial for the work of the Church overseas. Your generous contribution today will be sent in its entirety to support our many mission projects. We can't do it without you. Large or small, it makes a difference and thank you for your help.

HOW DOES MASS BEGIN?

Mass usually begins with a song or hymn and if we know the song we should join in the singing. The words of the song might be on a hymn sheet or book on your seat. When this song begins we know that it is time to stand up. We stand to greet

the priest who will lead us in prayer; in this way we are also greeting Jesus who is present among us.

The Opening Procession

Mass always begins with a procession. There are different kinds of processions. Sometimes there are lots of people; sometimes it is the priest on his own. The procession might come from the front door or from the sacristy. Usually the procession includes the priest and the servers. In some places the people who are going to read and help to give out communion will also be in the procession. You might see one of the readers carry the book from which the Gospel will be read. This book is called the Book of the Gospels.

THOUGHT FOR THE WEEK:

God takes all those He has called by name by the right hand and walks the journey of life with them. In return for such a gift try to be symbols of faith, hope and love for those who feel trapped by the circumstances of their lives. Faith is not only words but deeds also.....
